

CENTRAL INTELLIGENCE AGENCY

WASHINGTON, D.C. 20505

OFFICE OF THE DIRECTOR

1 May 1973

Honorable Roy L. Ash, Director
Office of Management and Budget
Washington, D. C. 20503

Dear Mr. Ash:

This is in response to your request for this Agency's views and recommendations on Enrolled Bill S.1494, "To amend section 236 of the Central Intelligence Agency Retirement Act of 1964 for Certain Employees to limit the number of employees that may be retired under such Act during specified periods."

As requested by this Agency, S.1494 increases the number of participants who can retire or be retired under the CIA Retirement Act through 30 June 1974. In the interest of maintaining legislative oversight, Congress extended the limitation on retirements by imposing a ceiling of 1500 through 30 June 1979.

S. 1494 serves the interests of economy, efficiency, and orderly and equitable personnel management by:

- (a) permitting qualified participants who want to retire to do so;
- (b) assisting in the accomplishment of needed personnel adjustments and reductions;
- (c) reducing payroll costs, with only a minor impact on the CIA Retirement Fund.

I strongly recommend approval of S.1494 by the President.

Sincerely,

A handwritten signature in dark ink, appearing to read "James R. Schlesinger".

James R. Schlesinger
Director
